

Champagnes of Distinction

This diverse selection of excellently made Champagnes offers a journey from the bright & zingy to the complex & fully rich. We offer them all at great value, so that you may experience a different style for different occasions. Our advice? Try them all! (though not all at once). Santé!

The Cuvées

Btl

Champagne Devaux, Coeur de Nature (bio-organic)

70

This expressive Blanc de Noir is Devaux's first fully certified organic Champagne. With a low dosage of 5g/l, it retains a zingy freshness. 30% are from reserve wines, this cuvée is aged for 5 years, 2 of which aged on the lees. The grapes are solely picked from the Côte des Bar. This wine cements Devaux's position as one of the front runners of sustainable viticulture. Eric Label, Chef de Cave of Krug, refers to Devaux as "The Krug of the Côte des Bar."

Champagne Taittinger, Brut Réserve

70

Synonymous with quality, prestige & elegance, this is a delicately balanced cuvée enjoyed around the world. 40% Chardonnay & 60% Pinot Noir & Meunier, this brut reserve has been aged for three years. It delivers aromas of brioche, white flowers, peach and vanilla pod. Taittinger offers consistency in every bottle, every year.

Champagne Louis Roederer, Collection 245

70

This cuvée is the vanguard of the collection approach, which captures the essence of the year's harvest in the blend, whilst still not entirely made of one vintage. The 245th blend takes advantage of great 2020 harvest, with grapes only from Roederer's estate. 41% Chardonnay & equal measure of Pinot Noir & Meunier, 45% of the blend is from their perpetual reserve. 10% is then aged in oak, making a crisp well-structured ripe and intense Champagne.

Champagne Pol Roger, Réserve Brut

70

This renowned house produces elegant & refined brut reserves, made of equal parts of the three champagne grapes. They use 25% reserve wines to ensure consistency & style. Four years of aging in the cellars produce a harmonious & pleasant freshness, long lasting aromas of both fruity & spicy notes. Most notably Winston Churchill's favourite tippie!

Champagne Charles Heidsieck, Brut Réserve

70

A full & beautifully complex cuvée with an incredible 50% reserve wine. 10% of which is aged in old Burgundy oak barrels to further deepen its complexity. 40% in equal measure Chardonnay & Pinot Noir. This cuvée is elegant beyond its years, with roasted notes & brioche aromas. The persistent tight bubbles show signs of a long maturing process. Hands down, an incredible journey for the taste buds.

Champagne Lanson, Le Blanc de Blancs

70

With Chardonnays selected from 15 Crus, including 9 Grand Crus & Premier Crus & with the wine aging for 4 years, this cuvée has developed complexity & vibrancy. 40% of the wine is from reserves, giving fullness & balance. Marzipan, dried fruits & woody hints are noted on the palate. A touch of chalkiness gives way to a saline, delicate & pure finish. This cuvée is delicate yet complex.

Fine Wines from the Cellar

Below is a small fine selection of wine, now drinking perfectly. These have all been chosen by our Wine Committee for you to enjoy. These wines are very limited so please do experience them while they last.

Rhone

Btl

Saint Joseph Lieu-dit Blanc, Etienne Guigal 2019

55

Single vineyard, small plot production, exceptional quality from renowned grower. A vivid gold hue as well as incredible notes of quince, white currants, toasted almonds, brioche, and a liquid rock-like minerality. Rich, full-bodied, and opulent on the palate, it has a wonderful sense of minerality, and multi-dimensional texture.

Cornas, Stephane Robert Domaine du Tunnel 2011

55

Dark purple red in colour with a ripe and spicy nose. Soaring aromas of violets, cassis, sweet and smoky dark small fruits. Liquid violets that over time become more savoury with peppered meat aromas.

Bordeaux

Btl

Château Pédesclaux, Pauillac, Bordeaux, 2005

50

Superbly situated in the north of Pauillac on the left bank made with almost equal parts of Cabernet Sauvignon and Merlot. The palate is full-bodied with copious sweet ripe black fruit, marked by soft tannins and with a liquorice/spice finish.

Château du Tertre, Margaux, Bordeaux, 2006

50

Herbaceous, sweet, cedar notes intermixed with black currant and barrique smells as well as some autumnal, forest notes. This medium-bodied wine finishes with some prominent tannins typical for left bank claret with majority of Cabernet Sauvignon.
